## **CALFRESH DEDUCTIONS**

## DEDUCTIONS TO SEE IF HOUSEHOLD MEETS NET INCOME TEST

TYPE OF DEDUCTION	WHO CAN USE IT?	HOW MUCH IS DEDUCTED?
EARNED INCOME DEDUCTION	For anyone receiving earned in- come (wages, salaries, striker's benefits, etc.)	Subtract 20% of income (Earned income x .8)
STANDARD DEDUCTION	For households of 1-3 people	Subtract \$204
	For households of 4 people	Subtract \$217
	For households of 5 people	Subtract \$254
	For households of 6 or more	Subtract \$291
EXCESS SHELTER	If shelter costs are more than 50% of household's income after above deductions	Subtract anything over the 50% of income that is used on housing, up to \$712 (no cap for HHs with 60+/ disabled)
HOMELESS HOUSEHOLD SHELTER	If someone is homeless but pays for shelter at any time of the month	Subtract \$190.30
STANDARD UTILITY ALLOWANCE (SUA)	If someone pays for heating/ cooling outside of rent/mortgage	Subtract \$645 (regardless of how much is paid)
*LIMITED UTILITY ALLOWANCE (LUA)	If paying for at least two separate utilities other than heating and cooling (ignore if qualify for SUA)	Subtract \$166 (regardless of how much is paid)
*TELEPHONE UTILITY ALLOWANCE (TUA)	If not eligible for SUA or LUA but paying for telephone (ignore if qualify for SUA)	Subtract \$19 (regardless of how much is paid)
DEPENDENT CARE	If household is paying for childcare or dependent care	Subtract the actual amount paid
MEDICAL DEDUCTION	If household has any members who are 60+ or disabled and have medical expenses higher than \$35 a month	Subtract \$150 (i.e. if someone pays \$35- \$185 in medical expenses, \$150 would be used as a deduction)
